ELLIOTT CHAIR

FCD14001

A truly classic form with modern proportions, the Elliott Chair is crafted in 1/2" solid brass stock and leather, giving it substantial weight. This elegant chair sits comfortably, with plenty of width and an upholstered back that will support you through late night dinner parties. With its gathered rear legs, bold lines, and signature mix of materials, the chair is beautiful from all angles and is perfect as a desk or dining chair.
