

CALIA BRONZE DRAPED CHAIR

FCL15006

The Calia chair is a collectors piece that celebrates material, form, and weight.

A solid bronze sheet is cast into a custom mold, giving it the appearance of a chair draped in fabric. A handcrafted bronze trim is added to the base to further add to the visual illusion. The bronze is hand polished for hours, until it has a mirrored finish. A light clear coat will help prevent the chair from developing a rapid patina.

MATERIALS SHOWN

Solid Bronze, hand-painted with a clear coat

DIMENSIONS

Width: 22"
Depth: 28"
Height: 34"
Seat Height: 18"
Weight: 600 lbs
