Crafted by artisans in Los Angeles, our Bejeweled Banded Stool features a variety of hand-selected, semi-precious stones bezel set onto a bronze body. Stones include a mixture of lapis, pyrite, druzy, turquoise, malachite, & labradorite, hand picked by Kelly. The Bejeweled Banded Stool is available in bronze, which will develop a rich antique luster over time. Each stool features a completely unique collection of semi-precious stones; no two are completely alike.
