## LINEAGE CHAIR

FCD15001

Exemplifying Kelly's love of mixed marbles this black and white striped occasional chair is perfect in an entry or hallway or as a sculptural accent. Each of the slabs that form the chair are executed in alternating layers of Negro Marquina and White Calacatta marble. The bold lines of honed marble and the simple modern silhouette prove an artful blend of material and architecture.

### MATERIALS SHOWN

Negro Marquina Marble  
White Calacatta Marble
